

## TWO MAJOR FIRES AT NILES; DAMAGE EXCEEDS \$15,000

Two major fires in Niles this week, one a business house and the other a church, resulted in damages expected to exceed \$15,000.

The first fire was in the Jones Grocery Market at the intersection of the Niles-Mission Highway and Centerville Road. The fire, of unknown origin, caused an estimated \$1000 damage to the building and another \$6000 damage to the merchandise and fixtures.

Frank Rose, owner of the building, was quick to praise the work of the Niles Fire Department in saving the building.

Thursday morning's fire was at the Church of the Nazarene on First Street, Niles.

### FIRST NIGHT HERE

The fire started shortly after 4 a.m. in the study of the church and swept up into the second floor Sunday school rooms before it was discovered by the pastor, Rev. J. D. Wington.

The pastor and his wife had just moved into the parsonage behind the church the previous day, having been transferred here from Coalinga. For that reason they encountered considerable difficulty reporting the fire and by the time the Niles department was summoned the flames were pouring out the windows of the two-story structure.

The firemen battled the blaze for more than an hour and kept it confined to the study and the rooms above. The fire did not reach the large auditorium of the church but it was badly damaged by smoke and water. The parsonage escaped damage.

### LOSE BELONGINGS

Rev. Wington said yesterday that his library and many of his family's belongings, valued at more than \$500, had been stored in the study the previous day and were a complete loss. They were not insured.

The church, completed about four years ago, mostly by volunteer labor, was valued at \$10,000. Niles Fire Chief Joe Perry estimated the loss at more than half the valuation of the church.

He asked that employers who have vacancies in their organizations remember the trained graduates of the local high school. He asked that all persons telephone Centerville 8-8302 for matters concerning job placement.

## REZONING IS ASKED AT NEWARK, DECOTO

Requests for the rezoning of several areas in Decoto and Newark will be studied at a public hearing to be held before the Alameda County Planning Commission on Tuesday, June 19.

Changes requested in the Decoto zoning include the shift from residential to commercial for the highway frontage along Hillview Crest tract; from industrial to residential in the rear area of the tract; and the rezoning of the industrial area around the new Bernard School in Decoto.

At Newark, the Newark Dry Kiln has asked that the area around its plant, now zoned for residential, be rezoned industrial to allow for plant expansion.

## HOLIDAY CRASHES HERE HOSPITALIZE SEVEN PERSONS

Washington Township received more than its share of the Memorial Day highway accident toll with seven persons hospitalized as the result of two crashes here early Wednesday morning.

The first accident occurred at the intersection of the Niles Canyon Road and the Oakland-San Jose highway at two minutes past midnight. All four occupants of the two cars involved were hospitalized, three in serious condition.

Injured in the crash were Yeoman John Eugene Furtado, U.S.N., 17-year-old son of Mr. and Mrs. John Furtado of Irvington; Leonard Freitas, Irvington; Sal Cernello, Oakland, and Michael Corniola, Oakland.

All four were rushed to Fairmont Hospital in the Township Ambulance. Corniola was treated and released. Furtado, who was home on leave from his navy duty station in San Diego, was transferred to Oak Knoll Hospital; Freitas was transferred to San Jose Community Hospital, and Cernello was transferred to Permanente Hospital in Oakland. The injuries of all three men were termed critical.

Little more than an hour later three San Jose State College students were injured on Highway 17 two miles south of Centerville when their automobile went out of control and overturned.

Injured were Marie Menacho of Cupertino, Jeannette Olson of Sunnyvale and Jane Kawazoe of San Jose. A fourth girl in the car escaped injury. The driver of the car told highway patrolmen that she swerved her machine to avoid a car without lights and then lost control of the vehicle.

## DECOTO ASKS BIDS FOR CONSTRUCTION OF POST OFFICE

Bids for a new post office for Decoto are now being accepted, it was announced this week by Miss Mary Janeiro, postmaster.

According to government specifications the building must have 1,800 square feet of floor space with a minimum width of 27 feet and a depth of 65 feet.

All bids must be submitted by June 18 and a five or ten year lease will be made by the government, to begin on April 1, 1952.

The enlarged post office facilities were deemed necessary by the postal authorities to keep pace with the great growth in population which will take place when the homes in Tareyton Village are completed and occupied.

With this week's action, Decoto becomes the fifth community of Washington Township to find it necessary to expand its post office.

New post offices have recently been constructed at Irvington, Centerville, and Newark. Bids have been submitted for the construction of a new post office in Niles and the Alvarado Chamber of Commerce has inaugurated a plan for the eventual construction of new facilities there.

## STATE WILL BUY TWO BAY BRIDGES; SLICE TOLL RATE

The California Toll Bridge Authority voted unanimously on Monday to purchase the Dumbarton and San Mateo bridges at a price of \$8,250,000.

It is expected that the actual transfer of ownership of the bridges will take place in about two months, after Federal approval is received for the sale of the bonds to finance the purchase.

It was announced that the toll will be reduced from 50 cents to 35 cents immediately upon the state taking over the ownership of the two bay crossings.

The decision to purchase the bridges was made despite a report from State Highway Engineer George McCoy that the San Mateo Bridge is deteriorating more rapidly than he first thought.

McCoy told the Authority that repair work should be started at once. He estimated repairs to the two bridges, including improvement of approaches, will cost \$1,870,000.

It is estimated that the bonds can be retired and the tolls eliminated within 18 to 20 years if the current flow of traffic continues at the reduced rate of 35 cents per vehicle.

The 22-year-old San Mateo Bridge was purchased for \$6,000,000 and the 24-year-old Dumbarton Bridge for \$2,250,000.

A delegation from the Washington Township Chamber of Commerce attended a public hearing before the Bridge Authority in Sacramento on May 10 to urge the state's acquisition of the two bridges.

## SOFTBALL SEASON OPENS MONDAY; 7 TEAMS ENTERED

The regular summer season of the Washington Township Softball Association will open with a special ceremony on Monday evening at the high school diamond.

J. R. (Pete) Nunes, president of the association, said yesterday that the high school band, under the direction of Dwight Thornburg, will be on hand to parade during the opening ceremonies.

The crowd will then have an opportunity to see all of the players of the seven teams in action in an all-star game.

High school representatives and members of the board of the association will be introduced. The board members, in addition to Nunes, are Arthur Belshaw, vice-president; Vernon Rose, secretary; Ray Bettencourt, treasurer; and Frank Mayer, sergeant-at-arms.

The opening ceremonies are slated to get under way at 7:30 p.m.

The regular league round of play will open on Wednesday, June 6, and double-headers, beginning at 7:30 p.m., will be played each Monday, Wednesday and Friday until August 1. At the close of the season the regular play-offs will be held, Nunes said.

The seven teams which will compete for the trophy this season are: Ray's Market, Decoto; American Forge, Niles; Wedgewood, Newark; Frick's, Niles; Y.M.I., Mission San Jose; L. & V., Centerville, and Kleine's, Centerville.

# New Shopping Center Planned for Township

If present plans materialize Washington Township will soon have another shopping center of business houses.

The Biltmore Homes Corporation, developers of the Hillview Crest tract, formerly known as Tareyton Village, near Decoto, have filed a request with the Alameda County Planning Commission that

an area in their tract along the Niles-Hayward Highway be rezoned from residential to commercial. A hearing on the rezoning proposal will be held before the commission on June 19.

Ward Kramer, general manager of the tract, said yesterday that the builders hope to construct store buildings along a 1100-foot highway frontage, ranging in depth from 200 to 300 feet.

He indicated that the store buildings probably would be offered for lease by the company.

Actual home construction in the 603-home tract is progressing rapidly and, according to Kramer, the homes will be ready for occupancy some time in August. The company is employing a large crew to have the homes all completed at about the same time.

Most of the homes are already sold, Kramer stated, but he added that a few might be offered for sale prior to the completion date.

The company is still working on a revised drainage plan to win county clearance for the construction of several hundred more homes across the highway from the present tract.

## SCHEDULE SCHOOL REGISTRATIONS

Registration for the Centerville Elementary School kindergarten for the 1951-52 school term will be held Monday and Tuesday, it was announced this week by Tom Maloney, district superintendent.

The sign-up will be in the kindergarten room between 1 and 4 p.m. both days. Children need not accompany their parents, but parents should bring birth certificate or some other verification of birthday, Maloney said.

Registration will be held at the Alvarado Elementary School on Wednesday, June 6, according to Leslie Maffey, district superintendent. The sign-up of youngsters for next year's kindergarten class will be held between the hours of 1 to 3 p.m. in the kindergarten room.

E. D. Bristow, district superintendent of the Niles Elementary School, has announced that kindergarten registration will be held at the school on Friday, June 8, from 9 a.m. until 12 noon and 4 to 6 p.m.

Children now registered in the kindergarten need not register for the first grade.

For the next school year, children are eligible for the kindergarten if they are four years and six months of age or older by September 1.

It was pointed out that the new law governing eligible ages for kindergarten and first grade does not go into effect until September, 1952.

## NEW GARAGE OPENS IN CENTERVILLE

A new automobile agency and service garage, Rose & Valente Motor Company, will open Saturday in the building formerly occupied by the Centerville Garage at 118 North Main Street in Centerville.

The company is owned and operated by Manuel Rose of 517 Second Street, Niles, and Sal Valente of Hayward.

The company was this week awarded the dealership for this area for the Kaiser-Frazer and Henry J. automobiles.

In addition to their agency they will operate a complete service department, headed by C. "Kelly" Oliveira, former service manager of a Hayward garage.

Rose is well known in Washington Township, having worked for the Ed Rose Garage here for more than ten years before becoming associated with a Hayward motor company in 1936.

The showroom and office of the building has been completely redecorated for the new company.

## ALAMEDA COUNTY PAY HIKE RAISES TAXES FIVE CENTS

Alameda County supervisors this week voted final approval of salary increases ranging from five to 15 percent for 2,518 county employees. The salary ordinance, which will cost \$335,343, also provides pay raises averaging more than \$1,000 annually for eight top county officials.

Of the total cost of the pay raise, \$23,000 will come from funds contributed by the state and federal governments to the county welfare department.

On the basis of the present valuation of property, the tax rate would be increased five cents per \$100 to meet the raises, according to Board Chairman Harry Bartell. The new scale becomes effective on July 1.

The supervisors also have the support of the Grand Jury to ask legislation that will boost their salaries \$2,200 per year, up to \$10,000 each.

Bartell stated that the increases were necessary because of competition from industry. The cost of living boost of three and one-half per cent, coupled with the current wage increase, will not exceed federal government wage ceilings, according to County Administrator Edwin S. Howell.

Under the new wage scale, the charities director, assessor, tax collector, auditor, recorder and county clerk will receive \$10,000 yearly. The sheriff, surveyor and district attorney will be paid \$15,000 per year.

## 'IRVINGTON DAY' AT HEARST RANCH

Sunday, June 3, is to be Irvington Day at the Old Hearst Ranch at Pleasanton with residents of that community to participate in the radio broadcast at 11:30 a.m.

All residents of Irvington who wish to attend may obtain tickets at the Pond Pharmacy in Irvington or at the gate to the famous dude ranch.

Edward Haynes, vice-president of the Chamber of Commerce, at Tuesday's meeting named Mitchell Romley, Leland Steinmetz and Wallace Pond to a committee to prepare some type of trade-at-home campaign for the merchants.

At the Monday meeting of the Centerville Chamber of Commerce the motion was passed to send a letter to the department asking that they have a representative assigned to visit this area at regular intervals to issue vehicle and driver's licenses.

At the present time residents of this vast area must go to either Hayward or San Jose to apply for licenses.

The Chamber also voted to write a letter to the State Highway Patrol commending them on the road-block vehicle and license inspection held on Highway 17 in Centerville last Friday evening.

Under the discussion of highway safety the proposal for the opening of Stevens Street as a through street, a project which the Chamber has long sought, was again brought up for action.

President E. M. Grimmer Jr. announced that he would name a committee this week to meet with Supervisor Chester E. Stanley to urge county cooperation for the project.

Government Orders  
Another Increase in the  
Price of Fresh Milk!

Government price fixing agencies have ordered milk prices raised one-half (1/2) cent per quart to 20c, effective June 1, 1951.

Safeway strenuously opposed this increase because it is not justified by Safeway cost.

If not prevented by law, Safeway could sell milk for 18c per quart. We would still make a fair profit and pay producers the full market price established by law.

This is another example of government price fixing resulting in a higher market price to consumers.

## A CONFUSION OF KITCHENS

Complications of an unforeseen nature have arisen since the International Kitchen added its cocktail lounge.

A local resident, whose home is near the Kitchen, was sitting comfortably in her own kitchen the other day when the door opened and a perfectly strange woman walked in, and sat down at the kitchen table.

The l. r. (local resident) was completely bewildered. Who was this strange woman who had walked into her home without so much as knocking and had calmly sat herself down at the kitchen table?

She finally managed to gasp out, "Well, who are you? And what do you want?"

"I don't know," giggled the strange woman.

"Is there anything I can do for you?" pursued the l. r., feeling that some kind of action was required of her at this point.

"I don't know," repeated the giggling woman.

"Can I get you a cup of coffee or something?" asked the l. r., beginning to wonder just what to do with the enigmatic creature.

"Yes, coffee'll be all right," said the giggler.

"And maybe I'd better have a sandwich to go with it."

The l. r. gasped in amazement at this further bit of effrontery but went about preparing the snack, feeling somehow that she'd better humour the woman. Suddenly a knock was heard at the door.

The l. r. opened it to be greeted by another strange woman, who asked, "Is my friend here? She's got the car keys."

"Is this your friend?" asked the l. r., pointing to her uninvited guest sitting at the kitchen table.

It was, and the two women launched into an immediate volley of accusations. "Why did you leave me at the lounge?" said woman No. 2. "I've been looking all over for you. I thought we were going to eat in the Kitchen."

"I AM in the kitchen," replied

## IRVINGTON CHURCH YOUTH MEETING DAY CHANGED

The meeting days of the Junior High Westminster Fellowship of the Irvington Community Church has been changed to Saturday to enable more young people to attend, it was announced this week by Cecil Rhoades, student pastor.

Youths between the ages of ten to 13 are invited to the meetings, which begin at 4:30 p.m.

Choir practice is held at the church at 7:30 p.m. Saturday.

Sunday services include Sunday School at 10 a.m., morning worship at 11:15, and evening prayer service at 8.

woman No. 1, and waved her friend graciously towards a chair. "Sit down and we'll eat."

"This isn't the Kitchen," replied woman No. 2. "Let's get out of here."

The l. r., who had been observing all these goings-on with growing amazement, watched the two women teeter off and climb into a big Cadillac.

THE FRIDAY 'RAID'

The local populace was scared almost out of its combined wits last Friday morning by some mysterious substance dropping in long strands from the sky.

Phones began to ring all over town. "What in the world is it?"

"Maybe it's germs being dropped by the Russians," "Might be something coming from Mars," Everybody was guessing—and nobody knew.

Even the police were notified. Some people thought of calling the fire department and the defense heads.

The mysterious stuff came down in long white strands—a kind of rubbery, sticky substance—with blobs of white cottony stuff attached to it.

The phenomenon continued throughout most of the day. Original panic began to settle into a resigned calm. People began to feel that having phoned the newspapers and the police, they had done all they could do and they'd just have to sit back and wait—even though they had no idea what they were waiting for.

When the news was released the next day, everybody felt a little foolish. It was nothing more than parachute spiders in a mass migration. Even oldsters, however, admitted they had never seen such a thing before.

## NICE WORK, 4-H'ERS

It is with a great deal of pleasure that I write this article, for our youngsters of the 4-H Club, under the proper guidance of their leaders, took the lead in all the events at Pleasanton last Saturday.

First off they brought home the trophy for perfect attendance, which they acquired from Ulmar May 4-H Club who held it since last year. The meeting of the clubs was held at the Pleasanton Fair Grounds with the judging of foods and all projects by the boys and girls. The Mission group all carried home blue ribbons (firsts), one red ribbon (second), and white.

Miss Nadine Millard took top honors and next year is eligible to become a junior leader. She and Marilyn Rodrigues for second year cooking got blue ribbons. Patsy Overacker, first year cooking, won a red one, and a white one for gardening judging. Stanley Caires carried home the blue for gardening. Marilyn Rodrigues and Joanne Reis, in competition against Hayward, won the egg tossing contest.

Mr. Frank Vargas, as community leader, deserves much credit for his untiring efforts to help the boys and girls keep interested. He is very ably assisted by Mrs. Hazel Millard, project leader, Mrs. Fern Overacker, assistant in any and all projects where she is needed.

Under the leadership of Mrs. Mary Rodrigues, who has charge of second year cooking, are Joanne Reis, Nadine Millard, Marilyn Rodrigues and Marveen Lofton. First year cooks, under Mrs. Irma Vargas, are Becky and Patsy Overacker, Robby Alberts, and one who left us to live in Hayward, Brenda Tate. Mr. Jones had charge of rabbits in which Robert Caires was the only member. Poultry was Richard Vargas, long suit under the leadership of Mr. Frank Vargas. Also in this project is Ronald Quaresma who could not attend because of the measles. The largest project in the school is the gardening under Mrs. Teenie Al-

berts who helps Albert Santos, Stanley Caires, Stanley Phillips, Richard Vargas, Arnold Rose, Rodney Alberts and Andy Millard.

This 4-H group is only two years old and deserves a lot of credit and maybe next year there can be a larger and just as enthusiastic a group as this year.

## IN RECITAL

Queen of the Holy Rosary College Music Department presents Miss Marveen Lofton, violinist, Miss Lola Lofton, clarinetist, and Miss Adeline Fontes, pianist, in "An Hour of Music."

That is the way the little programs read for all the friends and neighbors who attended the recital Sunday. This is the first appearance for these three girls and everyone who attended said it was a real treat. They are pupils under the leadership of Sister Christine and they played such numbers as Merry Widow Waltz, Elf Dance, Carnival in Venice, Two Guitars, and others. The next recital will be in September. A long ways off but put a ring around the date and go hear the girls.

## A PARTY

The Mission San Jose Fire Auxiliary held a Whitehouse Party at the School House on Friday evening instead of the regular business meeting scheduled for that night. Twenty-seven ladies attended and after playing games under the leadership of Mike Brady, demonstrator, of Oakland, they learned of the products and enjoyed refreshments of cake, coffee and cookies. The club gets 15 per cent of the sales for their treasury to help defray expenses of their new Auxiliary pins.

## WEEK-ENDERS

Mr. and Mrs. Leonard Amaral of Sunnyvale and family spent the week-end here at the home of her parents, Mr. and Mrs. William Lawrence and also at the Rodrigues home.

## AT THE PARADE

Mr. and Mrs. Daniel Cross and family motored to San Francisco Tuesday evening to spend the holiday with Mr. and Mrs. James Norris and family and to attend the big Memorial Day parade there.

## FOLK DANCE FESTIVAL

Mr. and Mrs. Manuel Fontes and many more from this section attended the Folk Dance Festival held this year in Santa Barbara.

## THE CAST PICTURES

The members of the cast of the Hamateur Revue and their families spent a wonderful day of picnicking, ball playing and in general getting all the sunshine and sunburn they could at the ranch home of Mr. and Mrs. Michael Overacker on Sunday. This is the second annual event of this kind for those folks of the Mission who so ably put on the plays for the benefit of the Mothers Club.

## ON TELEVISION

On Friday of this past week Miss Marveen Lofton, daughter of Mr. and Mrs. Marvin Lofton, was auditioned on the Kiddie Kapers TV broadcast and did very well indeed and will have another call in the very near future to make another appearance.

## WELCOME

Welcome to our little town, Mr. and Mrs. Dravland and family, formerly of Pleasanton. Also Dr. and Mrs. Paul Johnson, formerly of Niles.

## NEWARK INFANT DIES

Funeral services were held Tuesday at 10 a.m. from the parlors of the Chapel of the Palms in Centerville for little Salvador Jamenez, two-month-old son of Mr. and Mrs. Fermin Jamenez of Newark.

The infant succumbed of pneumonia at the home of his parents early Monday morning.

Burial was at the I.O.O.F. Cemetery in Irvington.

## DROP SEEN IN NUMBER OF MEASLES CASES

The number of new cases of measles reported in this area during the past week dropped to five, according to Dr. James C. Malcolm, county health officer.

Dr. Malcolm expressed belief that the epidemic which has reached a record of 1,584 cases in the rural section of the county this year is ebbing.

Wilbur Shaw thinks so much of this new Chrysler, he has selected it as Pace Car for the 1951 Indianapolis 500-mile race.

*"I've just driven the most powerful car\* in the U.S."*

## NILES SHAW, AMERICA'S MOST FAMOUS DRIVER, DRIVES NEW 1951 CHRYSLER—REPORTS TO YOU ON REVOLUTIONARY FIREPOWER ENGINE AND HYDRAGUIDE POWER STEERING

Corner NJT  
the Wilbur Shaw's reactions—in his own as taken down by a recording machine are:

Chrysler has it! With this new engine and steering, the first on any U.S. car, it's a whale mobile.

completely bowled over by the ease of steering!

g combined with the automatic trans-

mission . . . is the nearest thing to an automatic pilot for a car I can possibly imagine.

"This engine . . . I can't get over the amount of power and snap in this engine . . . it's incredible!

"I drove 111 miles with the feeling I had expended no more effort than in driving around the block.

"When Mrs. Shaw drove, her comments just about squared with mine. Here's what she thinks of the 1951 Chrysler . . ."

Mrs. Shaw: "At first I could hardly believe the ease with which I could turn the wheel. That's important . . . especially in the summertime.

"Often after I have parked a car in the average parking space, I feel I should taxi home, shower and get dressed again. But with Hydraguide Power Steering I parked it with one hand. It practically drives itself."

Wilbur Shaw: "It's hard to describe this new Chrysler without going off the deep end . . . it has it in every department.

"In fact, I think so much of this car, I've selected it as Pace Car of the 1951 Indianapolis 500-mile race!" (Mr. Shaw's comments are reprinted through the courtesy of Popular Science Magazine.)

\*Mr. Shaw refers of course to standard passenger cars—not racing cars or special models.

### High School Senior's Betrothal Announced

Mr. and Mrs. Malcolm Cole of Niles have announced the engagement of their daughter, Margaret, to Ed Gurley, son of Mrs. B. L. Sinnott of San Jose.

Margaret, popular young high school senior at Washington High, has been chosen as the commencement speaker for this year's graduating class. She is also editor of the school paper, The Hatchet.

Ed, a graduate of Washington High last June, has been attending San Jose State, but was called by Uncle Sam last week, and is now in training at Fort Ord. He was a star football player when he attended Washington.

Since wedding plans are indefinite, Margaret is planning on entering San Jose State next fall.

### Luncheon Guest

Mrs. Tom Robbins of Niles was a guest of Mrs. Jack Rees of Hayward at a luncheon last Friday at the Art and Garden Center in Walnut Creek. Over sixty guests were present to enjoy the luncheon and an afternoon of bridge.

### Niles Couple Returning from London

Mrs. Joe Champion of Niles is looking forward to this Sunday with great expectations, for her son, Tom, and his wife and their baby daughter will arrive at the San Francisco Airport after two and a half months in England visiting young Mrs. Champion's relatives. Said Tom, in explaining why they are returning sooner than they had expected, "Somebody turned water on in the clouds and forgot to turn it off." They've had only three sunny days in the time they have been there.

In addition to the bad weather, the British diet is also something they have failed to become reconciled to—bread and potatoes, with only four pounds of meat per week for a family of ten!

Mrs. Champion, senior, is glad they are returning for several reasons, including the care and feeding of a cat, dog, and rabbit during their absence.

### Kraftile Group At Patio Supper

Mr. and Mrs. Les Alt entertained the Kraftile foremen's committee group at a patio supper at their home last Tuesday, honoring Mr. and Mrs. Miles Tyrell, who are leaving this area for Texarkana, Arkansas. Mr. Tyrell has been employed at Kraftile as a ceramist.

Those present at the supper included Mr. and Mrs. C. W. "Chuck" Kraft, Mr. and Mrs. Tom Elliott, Mr. and Mrs. Roy Eacret, Mr. and Mrs. Louis Flindt, Mr. and Mrs. George Burr, Mr. and Mrs. J. A. McDonald, Mr. and Mrs. Tom Robbins, Mr. and Mrs. Jeff Russell, Mr. and Mrs. Jack McConnell, and Mr. and Mrs. Walter Schulte.

### From Kansas City

Mrs. Fred Zimmerman and daughter, Freda, of Kansas City, were recent guests of Mr. and Mrs. Earl Mackintosh. Mrs. Mackintosh is Mrs. Zimmerman's sister.

### FRED DUFFIE JR. TO CLAIM BRIDE AT JUNE 17 CEREMONY IN SAN LEANDRO

Adding her name to the list of June brides is Barbara Jean Thomas, daughter of Mr. and Mrs. Rodney E. Thomas of San Leandro, who will become the bride of Fred Hoyt Duffie Jr. on June 17. Fred is the son of Fred Duffie of Niles and of Mrs. Wilma Duffie of Hayward.

The ceremony is scheduled to take place at the First Methodist Church in San Leandro at four o'clock. A reception will be held at 4528 Stafford Avenue, Hayward.

The bridegroom-to-be is a graduate of Washington Union High School, where he starred as a football player, and later attended the

University of California at Berkeley, where he was affiliated with Delta Sigma Phi fraternity. One of his fraternity brothers, Ron Parker, will be his best man. Ushers will be Ron Sylvester of Niles, Ray Olson of Concord, and Stephen Hackett of Sacramento.

The bride-elect is a graduate of Castlemont High School and attended San Jose State College. She is presently employed at Uarco Business Forms. Her attendants will be her former classmates.

After their marriage the couple will live in Hayward. Fred is now employed at Frieden's in San Leandro.

### Housewarming for Niles Couple

There were moments Saturday in the lives of the Dan Bodilys of Ellsworth Orchard when they thought they were living in Grand Hotel. "There were about 70 people in the house during the day," said Mrs. Bodily, "and we loved having them all."

Some of the guests were no surprise, as Mrs. Bodily had planned a birthday party for five-year-old Skippy, which was attended by twenty-seven neighborhood children. The rest of the guests were a complete surprise—and a most pleasant one—for the Bodilys, for they were honored at a housewarming that evening, and received a beautiful living-room lamp. What with the callers coming during the day to see their lovely new home, and the housewarming guests, the day was a full one.

Those who attended the housewarming included Mr. and Mrs. Bill Fassnacht, Mr. and Mrs. Bernard Brett, Mr. and Mrs. Charles Bellati, Mr. and Mrs. Doug Mc Masters, Mr. and Mrs. Clyde Hewitt, Mr. and Mrs. Jack Lee, Mr. and Mrs. Ray Moughan, Mr. and Mrs. Ed Dutra, Mr. and Mrs. Manuel Silva, Mr. and Mrs. Julius Berchem, Mr. and Mrs. Delos Welch, Mr. and Mrs. Pat Luna and Mrs. Ella Jolliff.

### Niles Girls in Dance Recital

Two Niles girls, Karen and Peggy Chrysler, daughters of Mr. and Mrs. Walter Chrysler, will appear in "Carnival Caprice," a dance-musical to be presented at 8 p.m. Saturday in the Hayward High School auditorium by adult and junior dancers of the Harris School of Dance.

### Luncheon Guests

Recent luncheon guests at the home of Mrs. John G. Schilling of Newark were her cousin, Mrs. Wilma Nordvik of Oakland, and Mrs. Nellie Franken of Alameda.

### Birthday Party for Irvington Boy

Norman Rose, son of Mr. and Mrs. Bill Rose of Irvington, celebrated his ninth birthday yesterday by having a party for his friends in the lath house in the Rose gardens. A beautiful Hopalong Cassidy birthday cake was the hit of the day. With it was served ice cream and punch.

Those who were invited were Bobby and Larry Guardanapo, Jimmy Peixoto, Richard Hirsch, Larry Armstrong, Richard Burnes, Tommy Faria, Rosemary Faria and Dorene Rego.

### Visitors from Seattle

Mrs. Wendell Ogard (Marjorie Jackson), who has been visiting her mother, Mrs. Beatrice Fournier, for the past week, expects her husband to arrive today from their home in Seattle; then they will both stay here for three or four more days before returning north. With them is their nine-months-old son. Mrs. Ogard, who has not been in Niles for two years, was amazed at the building that is going on here.

Mrs. Fournier's son, Robert Jackson, who also has been living in Seattle, is returning with his wife and three children to California to make their home. The couple has bought a home in Mt. View, and Mr. Jackson will manage the Safeway Store there.

### Second Son

The Jack MacGregors of Centerville are announcing the birth of their second child, a son, born last Friday at Alameda Hospital. The baby, William Irving MacGregor, weighed 8 pounds and 6 ounces. His big brother, five-year-old Bruce, is eagerly awaiting his arrival home.

Mrs. MacGregor's mother, Mrs. Elbert Gleason of Sacramento, has been taking care of the family during Mrs. MacGregor's convalescence.

MR. AND MRS. HECTOR CARABALLO shown after their recent wedding at St. Joseph's Church in Mission San Jose. The bride is the former Shirley Kraft.

### New Preachers Like Niles

The Rev. J. D. Wiginton and the Rev. Mrs. J. D. Wiginton (both of them ordained) came to Niles last week to assume the responsibilities of the pastorate of the Nazarene Church, replacing the Rev. W. C. Golliher, who moved with his family to Marysville, where he will be the pastor at the Wilson District Church.

The Wigintons, who came from Coalinga, are so happy to be in Niles that "we feel as though we ought to take the church, instead of the church paying us," said Mrs. Wiginton. Their two grown sons are in the armed forces. Raymond has been in the Navy, stationed at Pearl Harbor, for three years, and David is just completing his paratroop training in North Carolina.

### Attend Dance

Beverly Valles and Shirley Smith, both eighth-grade students at the Newark School, have been invited to attend the annual eighth-grade dance of the Centerville school, being held tonight.

### To Yosemite

Mr. and Mrs. John Cortner of Centerville are planning to spend this week-end at Yosemite. "Just want to get a look at the falls while it's still early in the year," said Mrs. Cortner.

## LIVERMORE RODEO COMPETITION KEEN

Competition will be keen at this year's Livermore Rodeo when bronco busters and bull tamers from throughout North America meet in the 25-chute Livermore arena June 9-10 to vie for cash prizes expected to approach \$15,000.

This should make the 1951 Livermore Rodeo the most lucrative of all time for the cowboys who risk life and limb against the wild beasts they attempt to ride, rope and wrestle.

The cowboys will have to be at their best to share in these prizes. For not only will they be riding and roping against the nation's best cowhands, they will also be riding horses and bulls which will be entirely new to Livermore.

Say you saw it in The Register.

### HUSKIES WEAK IN CONFERENCE MEET

The Washington Huskies closed their track and field season last Friday at Fremont in the annual Santa Clara Valley Athletic League championship meet.

Coach Jud Taylor's varsity could get but 16 points to end up in sixth place in the eight-team competition. The Class B team made a fine showing and was edged out of first place by less than two points by Fremont, the Huskies getting 58 4/5 to Fremont's 60 3/5.

The Class C team got but 12 points to end up in seventh place. The D squad failed to cop any points.

The only first place won by the Washington varsity went to William Funk who tossed the shot 47 feet and 7 inches.

Other points added by the varsity members were: Lane, 440-yard dash, fourth place; Robertson, fifth place in the half mile; and Evans, third place in the broad jump.

Stand-outs in the Class B division for the Washington squad were Joe Orozco who won both the 100 and 220-yard dash; Jesse Martinez, first place winner in the hop-step-jump and broad jump; Amaral, who tied for first place in the high jump and took fourth in the 440-yard dash, and Waymond Chan, who took third in the 120-yard high hurdles and second in the 180-yard low hurdles.

Other points were added by Gonzales, who took third in the shot put; Kinzli, fifth in the discus, and the Washington relay team which out-sprinted all opposition for first honors. Frank Richmond accounted for the Class C team's points, winning fourth in the 100-yard dash and first in the 220-yard dash.

### DAUGHTER OF LOCALITIES DIES OF HEMORRHAGE

Friends of hers in the township were shocked to learn of the sudden death last Saturday of Mrs. Rae Tassano of Hayward, whose parents, Mr. and Mrs. Gus Toensing live on Orchard Drive in the Ellsworth Orchard, Niles.

Mrs. Tassano, only 22 years of age, was the mother of two small children, two-and-a-half and 18 months. She died of a cerebral hemorrhage.

### OUR READERS WRITE

The Editor, Sir:

Just a short and simple question to the Editor, and also to the population of Niles.

"Has anyone taken a good look at what used to be the NILES sign, the one on the hill facing town?"

Not one of the letters is visible enough to know what it is.

With all the clubs and gatherings that this town has, it's rather too bad nobody has thought of fixing the sign.

### BEARCATS SUFFER FIRST DEFEAT

By TONY ROGERS

Difficulty in the field last Sunday afternoon resulted in the first defeat in five games for Joe Dutra's Centerville Bearcats.

The Centerville baseball club was dumped 12 to 3 by the Halloran's Log Cabin team on the diamond at the Veterans Hospital at Palo Alto. The game went only seven innings because of a time limitation.

The Cats committed five costly errors, allowing their opponents nine unearned runs.

Mosser started on the mound for the Cats but was relieved in the third by Silveira after giving up seven runs on four hits and four walks. Silveira lasted but two innings after allowing five runs on five hits and one walk. Dutra finished the game, allowing but one hit and getting three strikeouts.

Joe Dutra led the Cats at the plate, getting two hits for three times at bat.
